Skills for a secure future

Certified Corporate Trainer

Corporate training is a part of human resource management for providing the organization's employees with the knowledge and skills required to be successful in their role. The growth of employees also contributes to the success of the business.

Training and development involves improving the effectiveness of organizations and the individuals and teams within them. Corporate training program delivery needs a skilled corporate trainer who communicates well, knows how learners "learn", and have skills and knowledge about the course to be taught.

Vskills Corporate Trainer certification assesses the candidate on various areas in developing curriculums and training planning and delivery.

Why should one take Corporate Trainer certification?

This Course is intended for training and HR professionals and managers wanting to excel in their chosen areas and would like to take certification for further career progression.

The certification helps you take on the role of a trainer for a large organization by grasping the various facets of training.

Earning Vskills Corporate Trainer Certification helps candidate differentiate in today's competitive job market, broaden their employment opportunities by displaying their advanced corporate training skills, and result in higher earning potential.

The certification covers

- Training Planning
- Stakeholder Analysis
- Organization and Management of Training
- Training Techniques and Methodology
- Training Delivery

Who will benefit from taking Corporate Trainer certification?

HR managers, trainers, corporate trainers looking to showcase their training skills should opt for the certification.

Job seekers looking to find employment in training or human resources departments of various companies, students generally wanting to improve their skill set and make their CV stronger and existing employees looking for a better role can prove their employers the value of their skills through this certification.
