Skills for a secure future

## Certificate in Digital Banking

Digital Banking is the new age intervention in traditional banking which makes use of internet and mobile technology to make banking accessible and easy to use anytime any place. Digital banking has digitized and packaged banking services to be available via online or mobile platform. All banking operations and physical process of branch banking has been transformed to specific screens in a web or mobile application.

### Why should one take Digital Banking certification?

Digital banking is the new age banking. Digital banking has opened new avenues of hyper-growth for banking and finance professionals and students. Many Indian and international banks have launched their digital banking service like 811 by Kotak Mahindra Bank, Pockets by ICICI Bank, Digisavings by DBS, etc.

Digital banking offers a good paying job and career with huge growth. There is huge demand of digital banking professionals across the industry.

Earning Vskills Digital Banking Certification attests to candidate's skills and knowledge in digital banking and also helps candidate differentiate in today's competitive job market thus increasing their employment opportunities.

### Who will benefit from taking Vskills Digital Banking certification?

Bank branch managers, finance professionals, executives, tellers, professionals and students in finance or banking domain gain immensely from taking Vskills Digital Banking certification.

IT professionals specializing in banking or BFSI domain also can add digital banking skills to their credit for boosting their career.
