Certified Team Leader

A team leader is a person who provides guidance, instruction, direction and leadership to a group of individuals or the team, to achieve designated results.

The team leader performs multiple roles which include ensuring relevant information dissemination amongst the team, eradicate any obstacles to team productivity, encourage team members, and providing support to the team.

Why should one take Vskills Certified Team Leader certification?

The Vskills Team Leader certification course improves and enhances your team leadership skills for becoming an effective team leader. The certification covers building and leading teams, motivating your team, effective delegation, setting direction and managing performance, providing constructive feedback and dealing with difficult conversations, coaching, and managing conflict.

The certification also validates and recognizes team leadership skills of the candidate, under the assessment and certificate program.

Who will benefit from taking Vskills Certified Team Leader certification?

The program is apt for team leaders, middle-level managers and senior managers to progress and cultivate their team management skills for effective leadership.
