Certificate in FastAPI

Certificate in FastAPI

FastAPI is a modern, fast (high-performance), web framework for building APIs with Python 3.7+ based on standard Python type hints. It is designed to be easy to use, efficient, and to provide automatic validation and documentation of APIs. FastAPI is built on top of Starlette and Pydantic, leveraging their capabilities for asynchronous programming and data validation.

Why should one take Certificate in FastAPI?

FastAPI is designed to be one of the fastest Python web frameworks. FastAPI has gained popularity, leading to an active and growing community. This means ongoing development, improvements, and a wealth of resources, tutorials, and third-party integrations.

Vskills Certificate in FastAPI provides a hands-on approach to understand the nuances of building modern, efficient, and scalable APIs with Python.

The certification attests to your understanding and applying skills and knowledge in FastAPI and helps you to stand out amongst your peers to help in gaining better career prospects.

The certification covers

- Working with async databases
- Logging in FastAPI applications
- User authentication with FastAPI

Who will benefit from taking Certificate in FastAPI?

Web Developers, Backend Developers, API Developers, Python Developers, Full-Stack Developers, Microservices Developers, DevOps Professionals, System Architects, Technical Leads and Managers will benefit immensely by opting for Vskills Certificate in FastAPI to gain an edge in the FastAPI and be noticeable amongst their colleagues as well as make progress in their respective careers.

Students and aspiring developers taking the certification also gain by showcasing their understanding of FastAPI and are able to increase their job opportunities.

Test Details

- **Duration:** 60 minutes
- **No. of questions:** 50
- **Maximum marks:** 50, Passing marks: 25 (50%)

There is no negative marking in this module.

Fee Structure

Rs. 3,499/- (Excludes taxes)*

*Fees may change without prior notice, please refer http://www.vskills.in for updated fees

Companies that hire Vskills Certificate in FastAPI Professionals

Companies specializing in web or software development are constantly hiring skilled FastAPI professionals. Tech Companies and Startups, Software Development Agencies, E-commerce Platforms, Financial Services, Healthcare IT, Enterprise Solutions Providers, Social Media Platforms, Consulting Firms hire FastAPI Testing professionals for web application development related tasks. Companies employing FastAPI Testing professionals include Google, TCS, Accenture, IBM, Tech Mahindra, GE, Amex, Deloitte, Wipro, TCS, etc.

Table of Contents

1. Course Introduction
1.1 What is an API?
1.2 What is REST?

2. Working with FastAPI
2.1 Introduction to this section
2.2 Your First FastAPI App
2.3 Initial App Setup
2.4 Linting, formatting and sorting imports
2.5 Our social media API: adding posts
2.6 Splitting our API into files with APIRouter
2.7 Adding comments to the social medical API

3. Introduction to pytest
3.1 Introduction to the pytest section
3.2 The basics of pytest
3.3 Getting started with FastAPI tests
3.4 Creating posts in our tests
3.5 Adding tests for posts
3.6 Adding comments tests

4. Working with async databases
4.1 Introduction to working with databases
4.2 Installing requirements for async databases in FastAPI
4.3 Creating a config file using Pydantic
4.4 Different configurations per environment in
4.5 Config caching and how to get the config object
4.6 Async database setup with FastAPI
4.7 Database connection with lifespan events in FastAPI
4.8 Run your FastAPI test in 'test' mode
4.9 Using a database in our FastAPI router

5. Logging in FastAPI applications
5.1 Introduction to logging
5.2 Python logging: loggers, handlers, and formatters
5.3 Logger hierarchies and __name__
5.4 Adding Logging Configuration for FastAPI Applications
5.5 How to configure multiple loggers in the logging module
5.6 Adding File Handlers for Saving Logs

5.7 Add logging to your FastAPI endpoints
5.8 Python logging: filters and custom filters
5.9 Logging HTTPExceptions with an Exception Handler
5.10 Identifying logs from the same request: Correlation ID
5.11 Adding JSON-formatted log files
5.12 Obfuscating email addresses in logs using a custom filter
5.13 Adding Logtail for Cloud Logging in FastAPI
5.14 Enabling Logtail in only in production

6. User authentication with FastAPI

6.1 Introduction to user authentication
6.2 Installing requirements and, what are JWTs?
6.3 Adding a users table and retrieving users by email
6.4 Adding user registration and tests
6.5 Adding tests for the user registration endpoint
6.6 How to hash passwords with passlib
6.7 Generate the access token
6.8 Retrieve the current user with their token
6.9 Use the current user in the API router
6.10 Dependency injection: getting the user
6.11 Adding user relationships to other tables

7. Many-to-many relationships

7.1 Adding a table for post likes
7.2 Adding an API route to like posts
7.3 Extracting reusable queries with SQLAlchemy
7.4 Query string arguments and data sorting with Enum

8. User email confirmation

8.1 Creating the confirmation token
8.2 Decoding the confirmation token
8.3 Adding a user confirmation endpoint
8.4 Requiring user confirmation for authenticated requests
8.5 Mailgun set-up and configuration
8.6 Sending emails and testing with Python
8.7 Sending a confirmation email on registration
8.8 Sending emails with background tasks

9. File Uploads with FastAPI

9.1 Our configuration for Backblaze B2
9.2 Internal library for Backblaze B2
9.3 Writing our file upload endpoint
9.4 Writing tests for file upload

10. Background Tasks for Image Generation

10.1 Model and database changes for image generation
10.2 Configuration for DeepAI, our third party service
10.3 Generating images using background tasks
10.4 Executing image generation in our FastAPI endpoint

11. FastAPI Deployments and Application Management

11.1 Updating our project to Pydantic v2
11.2 Deploy a FastAPI app to Render
11.3 Add a free PostgreSQL database to your FastAPI app
11.4 Error management with Sentry for FastAPI apps
11.5 Continuous Integration with GitHub Actions for Python apps

Certifications

Accounting, Banking & Finance
- Certified GST Professional
- Certified AML-KYC Compliance Officer
- Certified Business Accountant
- Certified BASEL III Professional
- Certified GAAP Accounting Standards Professional
- Certified Treasury Markets Professional

Big Data
- Certified Hadoop and Mapreduce Professional

Cloud Computing
- Certified Cloud Computing Professional

Design
- Certified Interior Designer

Digital Media
- Certified Social Media Marketing Professional
- Certified Inbound Marketing Professional
- Certified Digital Marketing Professional

Foreign Trade
- Certified Export Import (Foreign Trade) Professional

Health, Nutrition and Well Being
- Certified Fitness Instructor

Hospitality
- Certified Restaurant Team Member (Hospitality)

Human Resources
- Certified HR Compensation Manager
- Certified HR Staffing Manager
- Certified Human Resources Manager
- Certified Performance Appraisal Manager

Office Skills
- Certified Data Entry Operator
- Certified Office Administrator

Project Management
- Certified Master in Project Management
- Certified Scrum Specialist

Real Estate
- Certified Real Estate Consultant

Marketing
- Certified Marketing Manager

Quality
- Certified Six Sigma Green Belt Professional
- Certified Six Sigma Black Belt Professional
- Certified TQM Professional

Logistics & Supply Chain Management
- Certified International Logistics Professional
- Certified Logistics & SCM Professional
- Certified Supply Chain Management Professional

Legal
- Certified IPR & Legal Manager
- Certified Labour Law Analyst
- Certified Business Law Analyst
- Certified Corporate Law Analyst

Information Technology
- Certified Angular JS Professional
- Certified Basic Network Support Professional
- Certified Business Intelligence Professional
- Certified Core Java Developer
- Certified E-commerce Professional
- Certified IT Support Professional
- Certified PHP Professional
- Certified Selenium Professional

Mobile Application Development
- Certified Android Apps Developer
- Certified iPhone Apps Developer

Security
- Certified Ethical Hacking and Security Professional
- Certified Network Security Professional

Management
- Certified Corporate Governance Professional
- Certified Corporate Social Responsibility Professional
- Certified Leadership Skills Professional

Life Skills
- Certified Business Communication Specialist
- Certified Public Relations Officer

Media
- Certified Advertising Manager
- Certified Advertising Sales Professional

Sales, BPO
- Certified Sales Manager
- Certified Telesales Executive
